Your NYSHIP Health Plan Options for 2027

This publication explains the NYSHIP health plan options available to you for the 2027 plan year.

Although benefits differ between plans, all NYSHIP options provide comprehensive coverage that includes hospital care, medical/surgical care, prescription drug benefits and mental health/substance use treatment.

For more information about the benefits available under a specific plan, contact the plan directly. If you have questions about enrollment, contact your health benefits administrator (HBA) or the Employee Benefits Division.

Important Terms

Coinsurance: Your share of the cost of certain non-network services after you have paid your entire deductible.

Coinsurance Maximum: The highest amount of coinsurance you must pay during the plan year before your health plan begins paying 100% of allowed expenses.

Changing Your Plan Option

OPEN ENROLLMENT FOR ACTIVE EMPLOYEES

NYSHIP now offers Open Enrollment for active employees instead of an annual Option Transfer Period. This year's Open Enrollment will run from **December 1–31, 2026** for NYS employees. PE employees should confirm Open Enrollment dates with their HBA.

During this time, active employees can:

- Enroll in NYSHIP for the first time with no waiting period or qualifying event
- Change between The Empire Plan, a NYSHIP HMO or, if eligible, the Opt-Out Program*
- Switch to Individual or Family coverage, or add previously eligible dependents to existing Family coverage, with no waiting period or qualifying event
- Change their Pre-Tax Contribution Program (PTCP)* status
- Enroll in the Productivity Enhancement Program (PEP) for the upcoming year, if eligible
- Enroll in the Young Adult Option (YAO)

Plan changes cannot be made after December 31 except under certain circumstances (see your *General Information Book* for details).

PLAN OPTION CHANGES FOR RETIREES

Retirees may change health plans once at any time during a 12-month period. Additional plan changes cannot be made except under certain circumstances (see your *General Information Book* for details).

* The NYSHIP Opt-Out and Pre-Tax Contribution Programs are not available to PE employees.

How to Change Your Plan Option

If you want to change your plan option, complete a *NYSHIP Health Insurance Transaction Form* and submit it to your HBA during Open Enrollment.

If you want to enroll in the Opt-Out Program,* you must also complete and submit a *NYSHIP Opt-Out Program Attestation Form* (PS-409) along with proof of your other coverage.

Forms are available on the NYSHIP website.

In-Network Out-of-Pocket Limit: The highest amount of money you are expected to pay out of your own pocket for network services and supplies during a given plan year. Once this limit has been reached, network benefits are covered at no cost to you for the remainder of the plan year.

Network Providers: A group of health care providers and facilities who have contracted with a health plan to provide services to enrollees at negotiated rates.

Non-Network Providers: Health care providers and facilities who do not participate in a health plan's contracted network.

Plan Option: A health insurance plan offered through NYSHIP. Options include The Empire Plan and NYSHIP-approved HMOs. The Opt-Out Program is also a plan option for eligible active employees.

Comparing Your NYSHIP Health Plan Options

There are two types of health insurance plans available under NYSHIP: The Empire Plan and NYSHIP-approved HMOs.

THE EMPIRE PLAN VS. NYSHIP-APPROVED HMOS		
	Empire Plan	**HMO**
Service Area	Benefits are available worldwide.	Coverage is limited to the HMO's geographical service area.
Network Providers	Enrollees have access to over one million network providers and facilities throughout the U.S. and its territories. Enrollees are not required to choose a primary care provider (PCP) or get referrals to see specialists.	Enrollees must choose a PCP from the HMO's network for routine medical care. Referrals may be required to see specialists or access certain services.
Out-of-Pocket Costs	**Network providers/facilities:** Enrollees pay a per-visit copayment. **Non-network providers/facilities:** Enrollees pay the full cost up front. Reimbursement is subject to deductible and coinsurance.	**Network providers/facilities:** Enrollees pay a per-visit copayment or coinsurance. HMOs have no annual deductible. Visits to **non-network providers/facilities** are not covered.
Benefit Highlights	Through **The Empire Plan Center of Excellence (COE) Program**, enrollees have access to select providers and facilities recognized as leaders in: • cancer treatment • transplants • infertility • substance use disorder	All NYSHIP-approved HMOs offer **wellness incentive programs** that reward enrollees for reaching exercise goals and taking preventive steps to stay healthy.

Young Adult Option (YAO)

NYSHIP's Young Adult Option (YAO) allows children who do not qualify as dependents to purchase their own Individual NYSHIP coverage. To enroll in the YAO, your child must be under 30, unmarried, not covered by Medicare and ineligible for employer-sponsored health insurance of their own. For more information, go to nyship.ny.gov/young-adult-coverage.

PLANS BY COUNTY

The Empire Plan is available to all NYSHIP enrollees in the New York State Health Insurance Program (NYSHIP) regardless of where you live or work. Coverage is worldwide.

You may enroll in any NYSHIP-approved HMO that serves the area where you live or work. You may not be enrolled in an HMO outside your area.

Some NYSHIP-approved HMOs have more than one geographical service area and offer multiple plan options. If enrolled in an HMO, you have guaranteed access to network benefits when using network providers located in the service area associated with your plan option only. Coverage outside of the designated service area is not guaranteed and is at the discretion of each individual HMO.

This list shows which HMOs are available in each county.

The Opt-Out Program NYSHIP Code #700

PROGRAM OVERVIEW

The Opt-Out Program allows active employees who have other employer-sponsored group health insurance to opt out of NYSHIP health coverage for an incentive payment. This payment is:

- $1,000 for opting out of Individual coverage or $3,000 for opting out of Family coverage
- Taxable income
- Credited to your biweekly paycheck throughout the year (lump-sum payments are not available)
- Prorated if you participate for only part of the year
- Payable only when you are eligible for NYSHIP coverage at the employee share of the premium

Opting out of coverage through this program allows you to remain a NYSHIP enrollee for the purposes of establishing coverage in retirement.

The program applies to health coverage only. Enrollment does not impact eligibility for dental or vision coverage.

ELIGIBILITY REQUIREMENTS

To participate in the Opt-Out Program, you must:

- Be an active NYS employee with an employer contribution to the cost of your NYSHIP coverage
- Be a member of a group eligible for the Opt-Out Program (the program is not available to employees represented by UUP)
- Have been enrolled continuously in NYSHIP since April 1, 2026 or your first date of NYSHIP eligibility if that date is later than April 1
- Have other employer-sponsored group health insurance

RESTRICTIONS

You cannot opt out if:

- Your other coverage is NYSHIP coverage through your own employment with another NYS agency, a Participating Employer or a Participating Agency
- You are covered as a dependent on another NYS employee's NYSHIP policy (however, you are eligible for the Individual incentive payment if you are covered as a dependent on another NYSHIP policy through a Participating Employer or Participating Agency)

ENROLLING IN THE OPT-OUT PROGRAM

To enroll in the program, submit the following documents to your HBA before the December 31 Open Enrollment deadline (or, if you are a new employee, before the end of your new hire waiting period):

- *NYSHIP Health Insurance Transaction Form*
- *NYSHIP Opt-Out Program Attestation Form* (PS-409)
- Proof of other health insurance (such as a copy of your benefit card)

Incentive payments will begin with the first pay period affecting coverage for 2027.

The Empire Plan NYSHIP Code #001

The Empire Plan is the largest health plan option available through NYSHIP. Benefits are available worldwide and negotiated through the collective bargaining process, ensuring coverage reflects the needs of enrollees.

The Empire Plan provides comprehensive coverage through the following programs:

- **Hospital Program** (Anthem Blue Cross)
  Coverage for services provided in network or non-network inpatient or outpatient hospitals, skilled nursing facilities and hospice settings. Over 95% of United States hospitals are in the Anthem Blue Cross network.

- **Medical/Surgical Program** (UnitedHealthcare)
  Coverage for services received from health care professionals licensed to provide medical/surgical services. It also covers services received at other facilities not covered under the Hospital Program, such as ambulatory surgical centers, imaging centers, laboratories, cardiac rehabilitation centers, urgent care centers and convenience care clinics. UnitedHealthcare's Participating Provider Program network includes over one million physicians, laboratories and other providers, such as physical therapists, occupational therapists and chiropractors, located throughout the United States.

- **Mental Health and Substance Use Program** (Carelon Behavioral Health)
  Coverage for inpatient and outpatient mental health care and substance use care.

- **Prescription Drug Program** (CVS Caremark)
  for Empire Plan-primary enrollees and dependents
  Coverage for prescriptions for covered drugs at network, mail service, specialty and non-network pharmacies.

- **Empire Plan Medicare Rx Prescription Drug Program** (SilverScript, an affiliate of CVS Caremark)
  for Medicare-primary enrollees and dependents
  A Medicare Part D plan with expanded coverage designed specifically for Empire Plan enrollees. Coverage for prescriptions for covered drugs at network, mail service, specialty and non-network pharmacies.

* Medicare-primary enrollees: once your out-of-pocket spending reaches $2,400 in 2027, catastrophic coverage begins and there are no further copayments assessed for Part D-covered drugs for the remainder of the plan year. You will continue to pay the same cost sharing amount during the catastrophic coverage stage for excluded drugs covered under the expanded coverage provided by Empire Plan Medicare Rx.

Empire Plan Cost Sharing

Empire Plan benefits are available worldwide. What you pay depends on whether you use network or non-network providers.

NETWORK VS. NON-NETWORK PROVIDERS

When you use network providers, you only pay a copayment for certain services, and The Empire Plan covers the rest. Other services are covered at no cost to you.

When you use non-network providers, you pay the full cost up front. Benefits are subject to a deductible and coinsurance. You are responsible for a greater share of the cost.

If there are no network providers in your area, you can receive network-level benefits for certain services by calling The Empire Plan in advance.

NETWORK OUT-OF-POCKET LIMIT

Each calendar year, there is a limit on what you pay out of pocket for services and supplies from network providers and facilities. Once you reach this limit, you will have no additional copayments for the rest of the year.

2027 EMPIRE PLAN MAXIMUM OUT-OF-POCKET LIMITS FOR NETWORK SERVICES

Coverage Type	Prescription Drug Program*	Hospital, Medical/Surgical and Mental Health and Substance Use Programs, Combined	Total
Individual	$1,561	$2,874	$4,435
Family	$3,111	$5,758	$8,869

* Does not apply to Medicare-primary enrollees or Medicare-primary dependents.

NON-NETWORK COSTS

When you use non-network providers, the following apply:

- **Combined annual deductible:** You must meet a deductible each calendar year before The Empire Plan will reimburse you for its share of the cost of most medical, mental health and substance use services.
- **Coinsurance:** After paying the deductible, you must pay a percentage of the cost for most medical, mental health and substance use services. Inpatient hospital stays and outpatient hospital services are also subject to coinsurance.
- **Coinsurance maximum:** The highest amount of coinsurance you must pay during the plan year before The Empire Plan begins paying 100% of allowed expenses.

If your non-network provider bills more than the reimbursement rate, you will be responsible for the difference.

When you use non-network providers and facilities for **chiropractic care, physical therapy and occupational therapy**, a separate Managed Physical Medicine Program (MPMP) annual deductible applies:

- $250 per enrollee
- $250 per enrolled spouse/domestic partner
- $250 for all dependent children combined

You must meet this deductible before The Empire Plan will reimburse you for these services.

See the table below for deductible and coinsurance maximum amounts. See The Empire Plan chart on pages 10–13 for an overview of reimbursement amounts. For full information on benefits, see the *Empire Plan Certificate*.

Participating Physicians

The EmblemHealth VIP Premier HMO Plan network offers a traditional network of independent physicians who see patients in their own offices, as well as providers in physician group practices. Group practices offer services in most major specialties, plus ancillary services like lab tests, X-rays and pharmacy services.
